Question: *Is there still a place for traditional Consecrated Life in the restructuring?*

Response: Definitely! This 'invitational Conference is rooted in an article of the Third Order Regular Rule: "The brothers and sisters promise obedience and reverence to the Pope and the Catholic Church. In this same spirit they are to obey those who have been placed in the service of the fraternity. And wherever they are, or in whatever situation they are in, they should spiritually and diligently show respect and honor to one another. **They should also foster unity and communion with all the members of the Franciscan Family.** (TOR Rule #3)

Therefore, we are engaging in dialogue and collaboration with our sisters and brothers to hear the various voices in living out the Franciscan Charism.
