folder, Annual Report, and Powerpoints.*

*Porziuncola image above was designed
by Joanie McMahon*

***“Invest unprecedented trust, money, opportunity,
and coaching (without control)
in rising younger generations, women and men,
of diverse racial and economic backgrounds, listening to them,
learning from them, trusting the Spirit to be alive in them,
and then getting behind them.”***

***“I believe from the bottom of my heart that the greatest work
of Francis and Clare may still be ahead of us!”***

Brian McLaren, Ph.D.
