

# Celebrating Traditions Changing the World

March 8-14, 2024

## *Beating Guns: Hope for People Who are Weary of Violence*

Gun violence is a public health crisis. It is also a spiritual and moral crisis. God changes hearts, but people change laws.

The biblical prophets Micah and Isaiah imagine a world where God's people beat their swords into plows and their spears into pruning hooks, building a world free of violence. Come hear **Shane Claiborne** speak about his community's work transforming hearts, laws and guns - turning tools of death into garden tools and other instruments of life!
